Please remember to:

- **Renew your 30-hour codes** and **confirm any session changes** as spaces are limited.

Labelling

Please label your child's bag, lunchbox, shoes, coats and anything you bring in for them.

Appropriate clothing/shoes

Please NO belts, laces, dungarees, or open toe sandals.

Aggressive behaviour

Anyone giving verbal abuse to members of staff, either in person or over the telephone, will be sent a letter/email from the Nursery Manager advising that this behaviour will not be tolerated. Any future violation of this will result in the removal of your attendance to the nursery and if required reported to the police. There will be no appeal process.

Toilet Training

Potty training is a key developmental milestone. It's vital that parents and practitioners work together to give children consistent messages. We are able to achieve this only **when the child is ready and able to say and show signs of readiness**. Being toilet trained is a skill that children need to develop independence, self-esteem and confidence to thrive at school. Ofsted guidelines state that 'Every child should be able to go to the toilet independently by the age of five.'

We will help and support your child as long as they know and understand some common words, able to pull up and down their clothing or ask for the toilet. We remind them constantly and take them to the toilet but we have a lot of children here and everyone is busy whether they are staff or children playing. So please excuse the accidents that can occasionally happen.

Christmas Week

We will only be **open 22nd, 23rd full days and 24th only until 1pm**. Please speak to Reena if you have any queries.

We hope that everyone has a pleasant Christmas and stay safe during this time.
