Welcome

Little Stars Day Nursery provides a welcoming, caring and friendly service. Our focus is to ensure that all of our children get the best possible start in life. We are committed to helping your child grow and learn through early play experiences and the staff feel privileged to provide a happy, homely and secure environment for them to do so. You will enjoy your journey with us.

Email us

Drop us an email on manager@littlestars-daynursery.com with queries and we will respond and help you as quick as we can.

Virtual tour

We have photographs of our setting on the website and Facebook. Again, it helps give you the parent/carer a sense of the atmosphere of the setting which is what so many families go on – that initial gut feeling.

And don't forget...

...The phone! Don't forget we are available on the phone to talk through questions, uncertainty, concerns, outline routines and any new ways of working for the unpredictable future with Covid. Please speak to someone and we will provide reassurance to you parents/carers who are worried. Just remember we are here to help and support you.
