

**Dear Parents and Carers,**

**November 14th to 18th 2022**

**Please dress up as a Character from a nursery rhyme song to make it more fun and interactive.**

**All children and staff to participate**

World Nursery Rhyme Week promotes the importance of nursery rhymes in early childhood development and education.

Over 3 million children from 70 + countries have taken part since 2013. The initiative is open to parents, Early Years practitioners and anybody who works with children under the age of 7.

Nursery rhymes are excellent teaching tools and can help to develop:  
vocabulary, language and literacy skills, numeracy skills,  
social, physical and emotional skills – they are so much fun!

Thank you, Reena

World Nursery Rhyme Week was founded by Music Bugs who continue to organise the initiative.
